

**Part Time Position: 10 hours per week Children's Community Worker with Full Time Summer work**

Collingwood Baptist Church is looking for a part time Children's Community Worker to develop and implement a strategic plan to reach out into the Collingwood neighborhood and make a difference for the cause of Christ in this community. This is a unique opportunity for someone who is looking to work part time while studying in college or university, who has a desire to be a missionary to the local community as well as an important spiritual mentor. Here is a brief job description:

Reporting to the Youth Worker and the Children's Coordinator, you commit to active participation in the local elementary school and contact work with children and families in the community. You will design and implement a program or activity that will appeal to the community children, held in our church. You will invest in these families lives and build a thriving club. In the summer, you will work full time organizing and implementing activities for the community children, and be trained to help lead at our multiple Summer Camps. The intent of your training is to direct and organize our Summer Camps in the future. You will be responsible to help recruit, train and lead a team of volunteer leaders.

You will build relationships with children and their families, presenting the Gospel of Jesus Christ. Children will hear the Gospel in terms they can understand from someone who cares for them personally. You will work with our Youth Director and our Children's Coordinator who will mentor and encourage you in your work with the children. You will prepare and lead bible lessons when applicable and encourage those children who are believers to reach out to their friends. We are seeking an individual with a clear vision for children's ministry, a servant's heart and the qualifications for character and ministry listed in 1 Timothy 3:1-13.
